Seller shall issue written acknowledgments within 5 business days of order receipt. Seller shall inspect all Products prior to shipment to ensure conformance with all requirements of an order.

5. **PACKING AND SHIPPING:** All items shall be packaged, marked and otherwise prepared in accordance with good commercial practices & Buyer's instructions, if any. Buyer's approval of any sample or acceptance of any Products shall not relieve Seller from responsibility to deliver Products and to perform services conforming, in all respects, to the sample. These warranties shall not be deemed waived either by reason of Buyer's acceptance of Products or by payment for them and shall survive delivery. In the event of a breach of warranty, Buyer may return such Products, at Seller's expense, for correction, replacement or credit as Buyer may direct. This warranty shall apply to replacement Products & parts. Seller shall effectuate corrections or replacements within 10 days of receipt of Products.

Buyer shall have the right to replace, modify and/or cancel any delayed open orders without any liability to Seller. In the event of such a replacement or modification, Seller shall pay to Buyer (or at Buyer's option, it may offset such amount from any amount owed to Seller) promptly upon demand, an amount equal to the cost of such replacement or modification, less the amount which would have been payable to Seller for an equal quantity and quality of Products, plus any amount incurred by Buyer to effectuate such replacement or modification.
